DECLARATION PURSUANT TO 37 C.F.R. §1.131

Sir:

We, Ylian Saint-Hilaire and Jim W. Edwards, hereby declare that:

1. We are the inventors of the above-captioned patent application and the subject matter described and claimed therein.
2. Intel Corporation of Santa Clara, California, is the assignee of the above-captioned patent application.
3. We were employed by Intel Corporation at the time the above-captioned patent application was filed.
4. Prior to November 9, 2001, We (at least one of us for each independent claim) conceived of the invention according to each of independent claims 1, 6, 16, 22, 29, 31, 36, and 41 of the above-captioned patent application in this country, as evidenced by Exhibit A, B, and C. The date stamps show that the concept identified in each of these documents was documented in tangible form prior to November 9, 2001.

5. Exhibits A, B, and C are copies of Intel invention disclosures that Ylian Saint-Hilaire and Jim Edwards prepared and submitted to an Intel patent review committee prior to November 9, 2001. The invention disclosures concern subject matter disclosed in the above-captioned patent application.

6. Ylian Saint-Hilaire met with patent attorney R. Alan Burnett for an invention disclosure meeting in Hillsboro, Oregon on October 5, 2001 to discuss the subject-matter of the above-captioned patent application.

7. We reduced the present invention to practice, with due diligence from the date of conception prior to November 9, 2001 to November 20, 2000 (the filing date of the above-captioned patent application) in this country.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-captioned application or any patent issued thereon.

Respectfully submitted,

Date 09/01, 2005

  
Ylian Saint-Hilaire

Date 09/01, 2005

  
Jim W. Edwards

I hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-captioned application or any patent issued thereon.

Respectfully submitted,

Date Sept 16, 2005

R. Alan Burnett
